Camperships

Every Scout should have the opportunity to experience long-term camping whether he has the funds to do so or not. Two campership funds are available for Scouts who need financial assistance in order to attend summer camp. Scouts in a Buckeye Council troop can apply for the Buckeye Council Campership Fund. Additionally, The Ohio Elks Association's Scout Financial Assistance Program is designed to assist any individual Scouts who will not have the opportunity to participate in troop activities, such as summer camp programs or summer Scouting trips, due to family situations.

Both applications are available on line at buckeyecouncil.org. All information provided is considered confidential. Please be aware, in keeping with the ninth point of the Scout Law (Thrifty) each Scout is encouraged to earn at least 50% of his way towards camp. Unit participation in FOS, Popcorn Sale and Journey to Excellence programs is a major factor in determining who will be supported.

Camperships applications are due: March 1st

Refunds

These plans include, but are not limited to: staffing, food, program materials, patches, awards and other equipment that are a part of the program fees. - Registrations cancelled More than 30 days prior to the first day of an event will receive a refund, minus the \$50 non-refundable deposit.
- Cancellations between 7 and 30 days prior to an event will receive a 50% refund, minus the nonrefundable fee.

All cancellations must be made directly to the Buckeye Council. Completion of a refund form is required to receive monies that may be due. Final decision on refunds is up to the Council Program Director. No money will be returned to an individual camper but only through the unit. Refund forms are available at:

buckeyecouncil.org.

Insurance

The Buckeye Council's accident and sickness insurance plan covers only Buckeye Council Troops. Units from out of Council need to provide proof of accident insurance upon arrival at Seven Ranges Scout Reservation.

PREPARING YOUR TROOP

Summer Camp is the proving ground for the “preferred method” of Scout camping: a unit operating under its own leadership. Your week in camp will give the Scouts an opportunity to grow as leaders. Time will be given for each Scout to work on personal advancement. There will be troop and patrol time, as well as time for Scouts to explore a range of personal interests. The unit organization used for the year-round program should be used for the implementation of each unit’s summer camp program.

Adult Leadership

Each unit must under the direction of a competent adult leader (scoutmaster) and at least one other adult (assistant Scoutmaster) at all times. These individuals must meet specific qualifications in order to safely lead their troop. These qualifications align with the National BSA standards and are mandatory.

Scoutmaster

- Must be at least 21 years of age.
- Register and in good standing with the BSA.
- Have completed and up to date Youth Protection Training.
- Remain at camp for the duration of the week.

Assistant Scoutmaster

- Must be at least 18 years of age.
- Register and in good standing with the BSA.
- Have completed and up to date Youth Protection Training.
- Remain at camp for the duration of the week.

Youth Leadership

The **Patrol Method** is the cornerstone of any Scouting program. There is no reason to suspend this method during summer camp. Occasionally, new patrols will have to be formed when coming to camp because all Scouts may not attend. Patrols should be established before coming to camp. In addition to the normal scouting roles there are several positions that will aid your unit during their stay at Seven Ranges.

Junior Assistant Scoutmasters

Usually given specific responsibilities involving definite skills such as instructor in camp craft, ecology, or the directing of certain activities such as campfires and games.

Senior Patrol Leader

as the youth leader of the troop, leads the patrols in all their patrol activities. He also chairs in the Troop Leaders’ Council. At least once a day, the Troop Leaders’ Council should meet to discuss the day’s schedule of duties and programs.

Troop Astronomer

This should be an older Scout or even an adult that has an interest in Astronomy. The Troop Astronomer can guide Scouts through the astronomy requirements of the camp honors program. Training for this position will be provided through the Ecology Department.

Troop Naturalist

This should be one or two people, youth or adults that have some knowledge and familiarity with the environment and can guide other members of the unit through the nature requirements of their camp honor. Training for the Troop Naturalist will be provided.

Chaplain's Aide

This a Scout that shows an interest in helping his unit to be ever mindful of the twelfth point of the Scout Law: "A Scout is Reverent." The Camp Chaplain will conduct a special training program for Scouts who wish to fill this role. Chaplain's Aides will be utilized through there week in camp.

Fire Warden

This a Scout who is charged with the responsibility of making sure the unit is following the Camp/Unit Fireguard Plan. Fire Wardens will receive training from the Health and Safety staff on Sunday.

BUCKEYE COUNCIL REFUND REQUEST FORM

#6

COUNCIL REFUND POLICY

All activities offered by Buckeye Council require significant planning and purchasing of materials well in advance. These plans include, but are not limited to: staffing, food, program materials, patches, awards, facility rental, equipment, and in some cases, clothing such as T-shirts that are provided as part of the program fee. When an individual or unit makes a reservation, the expenses related to that event are incurred to support that reservation. Therefore any non-refundable deposits as stated on the Reservation Forms will be deducted from the refund.

- Reservations canceled at least 30 days prior to the first day of an event will receive a 100% refund.
- Cancellations within the 30 days will receive a 50% refund less any non-refundable deposits.
- Cancellations within 7 days, but still prior to the first day, will receive a 25% refund less any non-refundable deposits.
- No refunds will be made for cancellations made the day of an event.
- All refunds will be issued to the unit and sent to the troop or pack.

All cancellations must be made directly to the Scout Service Center in writing or by calling (330) 580-4272 or toll-free (800) 589-9812 and then confirmed in writing, e-mail or fax. National Events, such as the Jamboree and High Adventure ARE NOT SUBJECT TO THIS POLICY.

All request refunds of Summer Programs must be submitted by September 15th for consideration.

Seven Ranges Scout Reservation Pipestone Preliminary Counts

#10

In an attempt to provide more accurate information in Camp Honors Program planning, we ask that you indicate the possible number of Scouts and adult leaders that may obtain their Pipestone Camp Honor Award during your troop's week in camp.

Please indicate these numbers in the spaces provided below and turn this form in during your troop's financial check-in on Sunday afternoon.

We understand that these numbers may change during the week, but early preliminary numbers will help us in planning for the Camp Honors Program.

Your help is greatly appreciated!
